AgilePath Announces SOA Playbook™ Acceleration Solutions

SOA Training, Workshops and XPE™ SOA Sprints Help Accelerate SOA Implementation

NEWBURYPORT, MA – (July 14, 2008) – AgilePath Corporation, the industry’s leading vendor-independent service-oriented architecture (SOA) consulting firm, today announced a series of new SOA Playbook™ Acceleration Solutions. AgilePath’s SOA Acceleration Solutions are a suite of integrated offerings that include targeted SOA training, SOA workshops, and SOA XPE™ “sprints” focused on delivering rapid results for key SOA focus areas, all within the overall structure of AgilePath’s patent pending and industry-leading SOA Playbook™ methodology.

“AgilePath is pleased to offer these exciting new SOA Accelerations solutions to the industry,” stated AgilePath President and CEO Eric Marks. “Our SOA Playbook™ Acceleration Solutions provide a comprehensive solution roadmap that integrates SOA training, workshops, and SOA execution into pre-packaged modules mapped to AgilePath’s SOA Playbook™. The market has welcomed our SOA Acceleration Solutions as a refreshing, rapid and low-risk approach to SOA planning and execution.”

AgilePath’s SOA Acceleration Solutions are modules of AgilePath’s SOA Playbook™ packaged to address critical SOA strategic planning, architecture and implementation threads in training sessions, customized workshops, and SOA XPE™ “sprints.” AgilePath’s SOA XPE™ sprints are “Extreme Planning and Execution” engagements are designed and scoped to address critical client requirements with a focused execution plan. These SOA “sprints” can help demonstrate SOA value in a very rapid, time-compressed fashion.

AgilePath’s SOA Acceleration Solutions address core SOA challenges such as SOA Strategy and Planning, SOA Governance, SOA Funding, Budgeting and Acquisition, AgilePath’s SOA Quad Model™, SOA Enablement Technology, and SOA Implementation. These modules can be mixed and matched to address client-specific requirements, gaps and challenges, all within the proven and industry-leading AgilePath SOA Playbook™ end-to-end methodology.

“AgilePath continues to innovate and move the SOA industry we helped pioneer,” stated CEO Eric Marks. “Our vendor-neutral solutions have resonated with our Commercial and Federal Government clients, and we will continue to evolve and enhance our solutions and capabilities to serve these markets and clients.”
