## **AgilePath Appoints Corporate CTO and VP Federal Practice** [www.agile-path.com](http://www.agile-path.com)

### ***“Umesh Vemuri Promoted and Role Expanded”***

NEWBURYPORT, MA – (April 28, 2009) – AgilePath Corporation, the industry’s leading SOA consulting firm, today announced the promotion of Mr. Umesh Vemuri to Corporate Chief Technology Officer and Vice President of AgilePath’s Federal Government Practice. This promotion recognizes Mr. Vemuri’s contribution and value to AgilePath’s success across both its Federal Government and Commercial business portfolios.

“AgilePath is fortunate to have a technology executive of Umesh Vemuri’s caliber, and I am proud to announce his appointment as AgilePath’s Corporate CTO and Vice President of AgilePath’s Federal Government Practice,” stated AgilePath CEO Mr. Eric Marks. “Umesh provides the technology leadership, vision and execution that AgilePath’s client’s value and trust, and this promotion is essential to the execution of our Corporate growth strategy for the foreseeable future.”

In his new role, Mr. Vemuri will spearhead AgilePath’s corporate technology strategy and roadmap, support client delivery and execution, and support business development efforts for AgilePath’s Federal Government and Commercial business units.

“AgilePath has established itself as an expert organization for SOA transformation, and further has developed an intellectual property base that has been extended to support enterprise information technology (IT) transformation. AgilePath’s Governance approach has proven to be the underpinning for transformation within our client base and has been widely recognized as a leading repeatable methodology within the public and private sector. I look forward to opportunities to expand AgilePath’s existing thought-leadership position, service offerings and technology portfolio to best serves our clients,” stated Mr. Vemuri.

Mr. Vemuri previously held the position of Chief Architect, Department of Defense Programs for BEA Systems, Inc., as well as technology leadership positions at America Online, Inc.
